Information available before enrolment

The following information is available to all prospective students prior to enrolment via our website to ensure that the student can make a sound decision based on all the relevant aspects of the training they wish to undertake:

- Information about courses, all fees and charges;
- Applicable qualifications/courses by the appropriate code and title;
- Outline the duration of training and the assessment requirements;
- Specify modes of delivery and delivery locations;
- Specify entry/admission requirements into the course;
- Provide information specific to student contributions and responsibilities;
- Student support, facilities and resource; and
- Pre-training review process.

Pre-Training Review

A pre-training review interview ensures that the training and assessment strategy is designed to meet your individual needs and identify any support required. This information will enable institute to understand your training needs, your current competencies that relate to the course, opportunity for Recognition of Prior Learning (RPL) and to ensure that your Language, Literacy and Numeracy skills suit the training and assessment strategies.

Institute will conduct a pre-training review interview for each individual participant. Pre-Training Review includes a documented review of:

- detailed outline of the training program;
- the sufficiency of information provided to the prospective student to ensure s/he can make an informed decision about future enrolment (prior to enrolment);
- the appropriateness of the course and AQF level for the individual student (prior to enrolment);
- the student's prior learning, skills and experience that may result in Recognition of Prior Learning (RPL) or Credit Transfer (CT) in their chosen course (prior to enrolment); and
- a Language, Literacy and Numeracy (LLN) assessment to identify student's language, literacy and numeracy skills for determining future support needs (before or after enrolment but before training commencement); to ensure that participants are provided with high quality training that meets their needs.

Institute will use this review to provide you with the support you require in areas such as language, literacy and learning and assessment, while ensuring you will get the maximum outcomes and benefits from the course you are enrolling in, according to your learning objectives, career aspirations and skill level.

Pre-training reviews will also ensure that all participants are enrolled in an appropriate training program and identify any special needs with their individual learning requirements. Participants who do require assistance or support with any special need, including LLN, can speak confidentially with their Trainer and Assessor. Institute's experienced staff can discuss options for participation in training programs to assist participants in achieving competence.

UNIQUE STUDENT IDENTIFIER (USI)

Unique Student Identifier (USI)

A USI is required by all Australians undertaking nationally recognised training. It allows students to link to a secure online record of all qualifications gained regardless of the provider. This system was implemented by the Australian Government in 2015, so it will show student achievements from 1 January 2015 onwards.

As an RTO, MIT cannot issue Certificates or Statements of Attainment without a USI. Therefore, it is mandatory that all students supply their USI upon enrolment. If you do not have a USI, please visit <https://www.usi.gov.au/students/create-your-usi> for more information, and instructions on how to apply.

Your USI will help keep your training records and results together in an online account controlled by you. Each time you enrol to study with a new training organisation, your USI will be used to store your training records and results.

By having a USI you will be able to access your training records and results (or transcript) whenever you need them. For example, for a new employer or when you enrol to study at a new training organisation. Your USI can be accessed online from your computer, tablet or smart phone and gives you access to your training records and results at your fingertips. For further information about the USI can be found at:

<http://www.usi.gov.au/Pages/default.aspx>

Should a USI exemption apply, the student is made aware prior to enrolment or training that their training results will not be accessible through the Commonwealth and will not appear on any authenticated VET transcript prepared by the USI Registrar

USI Exemptions apply according to the following criteria:

Exemption categories are:

- International students who complete all requirements for their VET qualification or VET statement of attainment outside Australia.
- An individual who has completed all the requirements for the VET qualification or VET statement of attainment before 1 January 2015.

Students who demonstrate a genuine personal objection to being assigned a USI. This exemption can only be granted by the Student Identifiers Registrar.

For information about exemptions for individuals please review this webpage: <https://www.usi.gov.au/training-organisations/training-organisation-requirements/exemptions-individuals/how-apply>

If you are providing us with permission to access or create your USI we will need a valid form of identification. The ID that you provide for this purpose will be destroyed once we have used it for this purpose.

If you would like to create your own USI, please visit: <http://www.usi.gov.au/Students/Pages/default.aspx>

We are unable to issue a qualification or a statement of attainment unless we have a valid USI or a notice of exemption from the registrar.

CREDITS TRANSFER

A credit transfer is formal recognition of the previous studies you have completed for the purpose of reducing the units or modules that you are required to complete in the course you are enrolled in with us.

The Institute can grant you credit towards your course for units of competency or modules that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit/ module in your course, and the subject or unit you have completed.

To apply, fill in the Credit Transfer Form and submit it as part of your application. You can apply for Credit at any time however it is best you do this as part of your enrolment so that Credits are known upfront and you are not required to do any work that you otherwise may not have needed to do.

Make sure you attach/provide certified copies of transcripts from your previous study. In some cases we may ask for additional information about the subject or unit you previously studied so we can determine equivalence. Your Credit Transfer Form may be returned to you if you don't provide the required information.

In some cases, Credits may lead to a reduction in the course fees as there is less work involved in offering your course. This will be advised to you in writing. You will be advised in writing of the outcome of your Credit Application.

Reduction of Course Duration as a result of Credit or RPL

If Credit transfer or RPL is granted after the acceptance of a place in a course or on commencement of studies and will affect the duration of studies, Menzies Institute of Technology will provide you with a new Confirmation of Enrolment Letter (CoE) including the new duration.

RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.

The Institute has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment.

If you think RPL is a suitable option for you, the first step is to contact your trainer/assessor or our office and have a conversation about whether or not RPL might be suitable for you. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with a RPL Evidence Portfolio Pack that will guide you in working through each unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence.

A trainer/assessor will be available to assist you throughout this process.

To apply for RPL, you will need to fill in the RPL Evidence Portfolio Pack and return it with an RPL Application Form. Your application will then be assessed for suitability and you will then be contacted by an assessor to progress the RPL process.

From here, usually the RPL process involves gathering evidence to demonstrate skills, knowledge and experience, responding to questions, completing tasks and depending on the area, observation of your work skills in your workplace.

Fees are applicable for Recognition of Prior Learning and you will be advised of these fees upon contacting us. For more information about submitting an application for RPL, contact our office.

VISAS

Once you receive your electronic Confirmation of Enrolment, you will need to apply for your visa. Information about applying for a visa can be found at:

<https://www.homeaffairs.gov.au/trav/stud>

This document explains the process for application, evidence that you must provide (including a valid passport), information on student visa conditions, permission to work, Overseas Student Health Cover and charges associated with the visa application. You may wish to use a registered migration agent to assist you with the process of applying for a course to arrival at the Institute and including assistance with visas. Contact us for details of the education agents that we use. This list is also published in our website.

Ensure that you allow enough time between lodging your application and the start of your course, as applying for a visa can be a lengthy process.

VISA CONDITIONS

If you are granted a visa, you must abide by its conditions. Failure to comply with these conditions may result in the cancellation of your visa. See more information at the following link:

<https://www.homeaffairs.gov.au/trav/stud>

Conditions include (but are not limited to) that you must:

- Satisfy attendance and/or course progress requirements and maintain a valid enrolment for your chosen course of study.
- Only work if you have been given permission to do so as part of your visa grant.
- Maintain approved Overseas Student Health Cover (OSHC) while in Australia
- Notify your training provider of your Australian address and any subsequent changes of address within 7 days.
- Complete the course within the duration specified in the CoE.
- Remain with the principal education provider for 6 months unless you are issued with a letter of release from the education provider to attend another institution.

ARRANGING TRAVEL AND DOCUMENTS TO BRING

Costs of travelling to Australia are not included in your course fees and you will need to arrange and pay for your travel to Australia. You should plan to arrive in Melbourne at least 2 weeks before your course orientation to give you time to settle in. The nearest International Airport is the Melbourne International Airport.

You will need to prepare a folder of official documents to bring with you to Australia including:

- Valid passport including a valid student visa
- Your Confirmation of Enrolment (CoE)
- Insurance policies
- Original or certified copies of documents such as your birth certificate, medical records and educational qualifications as advised by the Institute at the time of confirmation of enrolment.

If you are travelling with your family you will need to include their documents as well. Keep all documents in your carry-on luggage. In case you lose the originals, make copies that can be left behind with family and sent to you.

ENTRY INTO AUSTRALIA

When you arrive in Australia, you will need to show your passport and incoming passenger card at a Customs and Immigration checkpoint. You may be asked questions about your stay before your passport is stamped and handed back

Once you have passed through the Immigration checkpoint, you should collect your bags ensuring that you check your baggage and check that nothing is missing or damaged. If something is missing or you notice damage, go to the baggage counter and advise them of your problem. Staff at the baggage counter will help you to find missing baggage or lodge a claim for damage to your belongings.

Once you have your luggage you will go through customs where your luggage may be checked. Australia has strict quarantine laws to stop people from bringing in certain food and plant items. You should declare any items that you are bringing in on the form given to you on the plane. If customs officers decide that the item you are bringing in are not safe, they will be confiscated and destroyed. If you fail to declare or dispose of any quarantine items, or make a false declaration, you may receive a fine or be prosecuted. All international mail is also screened and checked by customs.

If you want further information, visit the Australian Quarantine and Inspection Service (AQIS) website at www.aqis.gov.au

ARRIVING IN AUSTRALIA

Getting from Location airport to your accommodation

Arriving at a new country can be a daunting experience for the first time. Menzies is happy to arrange an airport meeting service and take you to your accommodation in Melbourne. Please indicate on the Application Form if you wish to utilise this service. Note that there will be an Airport Pickup Service fee that will apply. Also, you can take a taxi from the airport. There is a bus service (Sky Bus) that will bring you to the heart of Melbourne CBD and walking distance to the Institute.

Keeping in contact

Before you leave home, you should provide your family and friends, and your education provider in Australia, with details of your flights to Australia and where you will be staying when you arrive. (Do not change these details without informing them.) Once you have arrived in Australia, you should then let your family and friends know that you have arrived safely. For safety reasons, always let someone know where you are.

Arranging your finances

The currency of Australia is the Australian Dollar. Ideally, you should change your money into Australian Dollars before you arrive but if you haven't you will need to change some as soon as you arrive – you will usually be able to do this at the airport.

Once you have arrived into Melbourne you can also change more money into Australian dollars at any bank or currency exchange. Note, however, that banks are not open on the weekend and while airport currency exchanges are generally open, the rate is usually not as good as with a bank.

You should not carry large sums of money with you and it is best to only have the money that you will need for the first few days and then arrange to have the rest of the funds transferred to you in Australia.

The amount you will need to bring with you will depend on whether you have already paid for your accommodation before you arrive. Think about how much money you will need to last you for a couple of weeks.

Find out more about money matters by visiting <http://www.studyinaustralia.gov.au/en/Living-in-Australia/Money-Matters>

ACCOMMODATION

It is best book temporary accommodation before you arrive and look for long-term accommodation once you get to Australia. Temporary accommodation could be a hotel or hostel.

If a student requires assistance in finding accommodation during his/her studies, the Institute will provide necessary information and direction depending on the situation of the student. The student will be provided with information such as:

- Comparisons of costs among different types of accommodation
- Advice on which type of accommodation will be suitable for the student
- Contact details for home stay agencies or networks
- Contact details for real estate agents
- Contact details of relevant websites, newspapers, noticeboards

Following are some of the accommodation options and costs:

- Hostels and Guesthouses
Hostel's are usually run by organisations such as Youth Hostels Australia (YHA) and Young Men's Christian Association (YMCA) where students share kitchen and bathroom facilities. Usually the cost per week is between \$90 to \$150.
- Shared Rental

Highly popular among international students where students share between fellow students. You may need to provide your own furniture and will require to pay a security bond equal to one month's rent. Usually the cost per week is between \$85 to \$215.

- **Homestay**

Student will live with a local family or resident. This option is a great way for students to learn and experience the Australian lifestyle. Students will be provided with guidance on settling in to their new community and introduced to the Australian culture. They will also be provided with information on how to use public transport internet banking and personal safety tips. Students will also be provided with clean furnished private single room and meals. Usually the cost per week is between \$235 to \$325.

- **Rental**

You may rent a house, an apartment or a unit as accommodation. You may need to provide your own furniture and will require to pay a security bond equal to one month's rent. Usually the cost per week is between \$165 to \$440.

It is important to remember that as an international Student, you have the same renting rights as local residents. Review the information below about renting and tenants rights. Please read the Consumer Affairs Victoria's page for international students at: <https://www.consumer.vic.gov.au/internationalstudents> for renting in Victoria.

BRINGING YOUR FAMILY WITH YOU

If you intend to bring your family with you, they will also need to have a visa and be covered by health insurance. Family members include your partner (married or de facto) and your children under 18 years of age. You will need to provide proof of your family relationships with official documents including birth certificates and marriage certificates. For more details, visit www.immi.gov.au

Where you have dependent children that need to attend childcare or school, you should be aware of the following costs:

Typical childcare costs in Melbourne are as follows

- Centre-based childcare AUD\$70 to AUD\$192 per day
- Family day care AUD\$7.50 to AUD\$16.80 per hour
- Nannies AUD\$17 to AUD\$35 per hour
- Au pairs (living in your home)AUD\$200 toAUD\$300 per week

More information available on <https://www.mychild.gov.au/>

It is compulsory for school age children to be attending schools in Australia. Children that are 5 years old or over, up until age of 17, are defined as school age children. If you have school age children on a dependent visa for more than 3 months, you MUST ensure that they are enrolled in school at all times. You should arrange for your school age children's enrolment before bringing them into Australia.

Tuition fees are the same for all Victorian government schools. There are discounts for students who have a parent studying at a Victorian tertiary institute. You should be responsible for your children's school fees and other expenses such as text books, stationery, uniforms and excursions. If you want to enrol your children to non-government schools, you can visit Independent Schools Victoria for school listing. You should also be aware that the above costs for childcare and schooling are in addition to living costs as outlined in the section on living costs.

HEALTH

Emergencies

For emergencies such as fire, ambulance or police, phone 000. When you dial 000, you will be asked whether you want fire, ambulance or police and why you want this assistance. You will also be asked for your name and address and telephone number.

Australia police protect people and properties, detect and prevent crime, and preserve peace for everyone. They are not connected to the military or politics. The police can help you feel safe.

Fire

The fire brigade extinguishes fires, rescues people from fires in cars and buildings, and helps in situations where gas or chemicals become a danger. As soon as a fire starts call 000 no matter how small or large the fire may be.

Ambulance

Ambulances provide immediate medical attention in an emergency and emergency transportation to hospital. To access an ambulance, call 000.

Medical assistance

Emergency medical treatment is available 24 hours a day at the emergency or casualty department of a public hospital, or at some medical centres. Public and private hospitals are listed in the White Pages telephone directory under 'Hospitals' and you can also find them by searching on the internet. If you need to go to hospital, remember to bring your health insurance card and any medicines you are currently taking. For anything other than an emergency, seek medical help from a general practitioner (GP) or local medical centre.

Overseas Student Health Cover

Australia has a special system of health cover for international students called Overseas Student Health Cover (OSHC). You will need to buy OSHC before you come to Australia to cover you from when you arrive. The Department of Home Affairs (DHA) requires you to maintain OSHC for the duration of your time on a student visa in Australia.

You can choose to take out OSHC with a provider recommended by us, or with the Australian OSHC provider of your choice. There are five providers of OSHC in Australia. Visit these websites to find detailed information on what they cover and to decide which provider is right for you. NIB is the Institute's OSHC provider.

- Australian Health Management OSHC www.ahmoshc.com
- BUPA Australia www.overseasstudenthealth.com
- Medibank Private www.medibank.com.au/Client/StaticPages/OSHCHome.aspx
- OSHC Worldcare www.oshcworldcare.com.au
- NIB OSHC www.nib.com.au/home/newtonib/overseasstudents

Your OSHC will help you pay for any medical or hospital care you may need while you're studying in Australia, and it will contribute towards the cost of most prescription medicines, and an ambulance in an emergency.

For more information on what your OSHC insurance covers, as well as what to do if you need treatment, refer to the Department of Health and Ageing's (DoHA) [Frequently Asked Questions](#).

OSHC does not cover dental, optical or physiotherapy. If you want to be covered for these treatments you will need to buy additional private health insurance, such as:

- Extra OSHC provided by some OSHC providers;
- International travel insurance; or
- General treatment cover with any Australian private health insurer. You can find a list of these providers and search for the one that suits you best at www.privatehealth.gov.au or www.iselect.com.au

LIVING COSTS IN AUSTRALIA

Migration regulations in Australia require international students to show evidence that they can contribute to the cost of living and studying in Australia. This helps to ensure students are better able to make the most of their studies and have a safe and enjoyable experience in Australia.

While international students are able to supplement their income with money earned through part-time work in Australia, the 'living costs' requirement helps to support the success of students in their studies by ensuring that they don't have to rely on such work to meet all their expenses.

Students must demonstrate that the funds they are relying upon to meet the costs of studying in Australia will be genuinely available to them during their stay in Australia.

The following web site includes information about average living costs in Australia:

<https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs>

Carefully review the information at the web site link noting that the figures provided are average only and that costs can vary significantly depending on where you live in Australia. You should be prepared in case your living costs are greater than the indicated figures.

From Jan 2020 the 12 months living cost is:

- Student/guardian – AUD 21,041
- Partner/spouse – AUD 7,362
- Child – AUD 3,152.

Following are some of the individual per week living expenses.

- Groceries and eating out - \$140 to \$280 per week
- Gas, electricity - \$10 to \$20 per week
- Phone and Internet - \$15 to \$30 per week
- Public transport - \$30 to \$60 per week
- Car (after purchase) - \$150 to \$260 per week
- Entertainment - \$80 to \$150 per week

BUDGETING

Once you've settled in, you should ideally work out a budget that covers costs including clothing, food, accommodation, transport and entertainment, travel costs and child care, if applicable.

Costs associated with living in Australia are included at:

<https://www.studyinaustralia.gov.au/english/live-in-australia/living-costs>

It is important to be aware of how much money you spend and where you are spending it. Sticking to a budget will ensure you are on top of where your money goes.

Read more about budgeting at www.understandingmoney.gov.au

WORKING IN AUSTRALIA

Most student visa holder can work up to 40 hours a fortnight during term time and as many hours as you like during holidays. Before you undertake any paid work you need to make sure your visa allows you to work. Find out more at the <https://www.homeaffairs.gov.au/trav/stud>

You should also visit the following website to find out more about working in Australia, including your employment rights and conditions.

<https://www.studyinaustralia.gov.au/english/live-in-australia/working>

If you require any further information about your workplace rights and obligations, for example, resolving a workplace dispute, visit the Fair Work Ombudsman site at www.fairwork.gov.au

YOUR SAFETY

Australia is a safe country. However, it's always best to take precautions. Read the information at the following web site about personal safety tips:

Each unit of competency is linked to specific skills and knowledge required in the workplace. Our course outlines include the details of how we deliver the training to you as well as the assessment methods that will be used to assess whether you have reached the required standard of performance. Generally our courses are delivered face to face, workplace component, private study and online learning.

Assessment methods vary from course to course but usually include written examination, projects, written assignments, practical observations and work placements (if it is mandatory for the qualification – currently the qualifications with mandatory work placements are HLT35015 Certificate III in Dental Assisting and HLT54115 Diploma of Nursing. More details about the Work Placement hours required for these qualifications be found on <https://menzies.vic.edu.au/dental-health/hlt35015-certificate-iii-in-dental-assisting/> and <https://menzies.vic.edu.au/courses/nursing/hlt54115-diploma-of-nursing/>

ATTENDANCE REQUIREMENTS

The Institute systematically monitors its students’ compliance with student visa conditions relating to attendance. The Institute will be proactive in notifying and counselling vocational students who are at risk of failing to meet attendance requirements. ASSESSMENT ARRANGEMENTS

At the beginning of each unit, your assessor will go through the arrangements for assessment with you and you will be given all the details about the assessment requirements.

At this time you will:

- Be provided with detailed assessment instructions for each task/requirement which includes the criteria that you’ll be assessed against.
- Be informed of relevant due dates or timing of assessments to be conducted

Your assessor will go through all of the arrangements with you and you can ask them any questions you have.

Submitting your assessments

. Assessments can be submitted directly to the trainer/assessor or uploaded using the learning management system. You must keep a copy of all tasks that you submit as we are not able to return copies because we must keep them as evidence in your file.

Your assessor will provide you with written feedback and confirm the outcome of the task on the Task Cover Sheet.

Assessment outcomes

Each assessment task will be given an outcome of either Satisfactory (S) or Not Satisfactory (NS). You must complete all tasks for a unit satisfactorily to achieve an overall outcome of Competent (C) for a unit. If one or more of your tasks are assessed as Not Satisfactory, you will be given an overall outcome for the unit of Not Yet Competent (NYC). You can have another attempt to complete the task and achieve a Satisfactory outcome. You will be given a timeframe for your resubmission and advised what you must include in your re-submission.

If, after the second attempt, you are still assessed as Not Satisfactory for a task, you will need to re-enrol for the unit to complete additional training and assessment to support you in achieving a Competent outcome. This may incur an additional fee for students as identified in the fees and charges information.

MAINTAINING YOUR ENROLMENT AND COURSE PROGRESS

You must meet course progress requirements in order to satisfy the conditions of your visa. These course progress requirements will be clearly explained to you during the orientation program.

The Institute will assist you to meet course progress requirements by monitoring your progress and providing you with the relevant support at an early stage. The Institute uses a range of methods to monitor course progress including review of participation in training activities and assessment tasks. During the semester, where we consider you are at risk not meeting course progress requirements, we will send you an email to meet our Student support officer (SSO) and discuss the intervention or support required. We can provide you with a range of support from extra time to complete tasks or a reduced study load to study skills programs to meet course progress requirements. Agreed support will be documented in an intervention strategy form that you will sign.

End of the semester, if your progress is still unsatisfactory, you will be sent a first warning letter and again inviting you to a meeting to discuss why you are not still not meeting satisfactory course progress requirements and to discuss new or revised support arrangements.

Where you continue not to meet course progress requirements, you will be reported to DHA for not meeting course progress requirements. DHA will make the final decision on whether your visa will be cancelled because of your unsatisfactory course progress.

You may appeal the Institute's decision to report you to DHA. However, an appeal will only be considered if the Institute has not recorded or calculated the student's marks correctly, has not provided appropriate support as set out in this policy, has not implemented other policies such as assessment and feedback which could impact on the student's results or there are compassionate or compelling reasons which have contributed to the unsatisfactory progress. Circumstances that are considered to be compassionate or compelling circumstances include (but are not limited to):

- Serious illness or injury, where a medical certificate states that the student was unable to attend classes;
- Bereavement of close family members such as parents or grandparents
- Major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies.

- Where the Institute is unable to offer a pre-requisite unit.
- Where the student is unable to begin studying on the course commencement date due to delay in receiving a student visa.

Attendance

As well as meeting course progress requirements, you must also meet attendance requirements as part of your visa conditions. It is expected that you will attend all classes; however, we understand that in some cases you may not be able to get to a class because of your personal circumstances such as illness or family matters. To maintain satisfactory attendance, you must attend at least 80% of your classes.

 - The student is trying to avoid being reported to DHA for failure to meet the provider's attendance or academic progress requirements.
 - There are no legitimate compassionate or compelling circumstances.
 - In order for a request for transfer to be considered and a letter of release provided, students must provide a valid offer of enrolment from another registered provider.

DEFERRAL, SUSPENSION AND CANCELLATION

Deferral and Suspension of Studies

Requests from students for deferral and suspension of studies will only be granted in compassionate or compelling circumstances which are generally those beyond the control of the student and which have an impact upon the student’s course progress or wellbeing. When determining whether compassionate or compelling circumstances exist, the Institute considers documentary evidence provided to support the claim.

Where a student initiated deferral or suspension of enrolment is granted, the Institute will suspend an enrolment for an agreed period of time - to a maximum of 6 months. If the deferral is required for longer than 6 months, the student’s application will be re-assessed on its individual merits. Verification and authentication processes must be followed to clarify that the circumstances are genuine. If the suspension period has expired and the student does not return, the student’s enrolment will be cancelled.

Provider Initiated Suspension or Cancellation

The Institute may suspend or cancel a student’s enrolment including, but not limited to, on the basis of:

- misbehaviour by the student (including plagiarism, collusion and cheating)

Where the Institute suspends or cancels a student’s enrolment, before imposing a suspension or cancellation the Institute will inform the student in writing of that intention and the reasons for doing so and advise the overseas student of their right to appeal through the provider’s internal complaints and appeals process, within 20 working days. Under no circumstances will the suspension or cancellation of the overseas student’s enrolment will take effect until the internal appeals process is completed, unless the overseas student’s health or wellbeing, or the wellbeing of others, is likely to be at risk.

Student Initiated Cancellation of Studies

Students may initiate cancellation of their studies at any time during their course. Students who wish to withdraw within six months of their course to transfer to another provider will be processed as per Course Transfer Policy and Procedure.

CHANGE IN VISA STATUS

Deferment, suspension or cancellation of a student's visa may affect the student's visa. When a student's enrolment is deferred, suspended or cancelled, The Institute will notify the Department of Education and Training via the Provider Registration and International Student Management System (PRISMS) of the change in enrolment status.

Students are to refer to the DHA web site at <https://www.homeaffairs.gov.au/trav/stud> or telephone 31 881 for information and their local DHA office for advice on how the potential change to enrolment status may impact upon his or her visa.

Regardless of whether the suspension of enrolment is the result of a student request for suspension or a suspension imposed by the Institute the period of suspension of enrolment (as entered in PRISMS) will not be included in attendance monitoring calculations.

In cases, where a student's enrolment is cancelled, the student must leave Australia, obtain enrolment in an alternative course or apply for a different visa within 28 days of cessation. If the student leaves Australia, the student's visa will be cancelled. A student who has left Australia and wishes to return to his or her studies must apply for a new student visa.

Harassment, victimisation or bullying

The Institute is committed to providing all people with an environment free from all forms of harassment, victimisation and bullying. The Institute will not tolerate any behaviour that harms, intimidates, threatens, victimises, offends, degrades or humiliates another person.

Anti-discrimination law defines harassment as any form of behaviour that you do not want, that offends, humiliates or intimidates you and that creates a hostile environment. Examples of harassment are making fun of someone, spreading rumours, offensive jokes, ignoring someone, etc.

Victimisation is where a person is treated unfairly because they have made a discrimination complaint.

Bullying is verbal, physical, social or psychological abuse by a staff member or student. Bullying falls under health and safety legislation.

If you at any time feel that you are being harassed, victimised or bullied by a staff member or student, you should follow these steps.

If you feel that you are being harassed, victimised or bullied, ideally you should tell the person that you don't like the behaviour and ask them to stop. However, if you are not comfortable doing this, you should lodge a complaint as per the Institute's Complaints and Appeals procedure and detailed in this Handbook.

Equal opportunity

The principles and practices adopted by the Institute aim to ensure, that current and prospective students, clients and other stakeholders are treated fairly and equitably in their dealings with the Institute.

All people will be treated courteously and expeditiously throughout the process of enquiry, selection and enrolment and throughout their participation in a course.

The Institute provides equity in access to the level of training and support required by each student. All students are supported in a manner that enables them to achieve their full potential and success in their training outcomes. All students are provided with opportunities to develop and successfully gain skills, knowledge and experience through education and training.

National VET Regulator Act 2011

As a student in Australia's vocational education and training (VET) sector, you should expect high-quality training in your area of interest, leading to a qualification that improves your prospects of gaining the job you want or provides a pathway to further study.

As a Registered Training Organisation registered with the Australian Skills Quality Authority, we are required to comply with the National VET Regulator Act 2011. This involves meeting a series of Standards that ensure that the training and assessment and support services are provided to you in accordance with nationally mandated standards.

Student Identifiers Act 2014

Under this Act, we are required to ensure that all students have a USI. We are unable to issue a qualification of a statement of attainment for any student if we don't have a USI on file.

If you're studying nationally recognised training in Australia from 1 January 2015, you will be required to have a Unique Student Identifier (USI). Your USI links to an online account that contains all your training records and results (transcript) that you have completed from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016.

For students and training organisations, the main benefits of the USI are:

- Students will be able to get a complete record of their Australian-wide VET achievements from a single, secure and accurate online source.
- There will be immediate access to VET records. This means they can be quickly given to employers, other training organisations etc as proof of VET achievements.
- It will be easier for training organisations to assess students' pre-requisites, credit transfers and Recognition of Prior Learning (RPL).

For more information about the USI please refer to <http://www.usi.gov.au/About/Pages/default.aspx>

This refund will be paid within 14 days of the day on which the course ceased being provided. Alternatively, within 14 days, students may be offered enrolment in an alternative course at no extra cost. If the Institute is unable to provide a refund or place a student into an alternative course in accordance with the Education Services for Overseas Students Act 2000 and National Code of Practice for Providers of Education and Training to Overseas Students 2018, then the Tuition Protection Service (TPS) will assist students in finding an alternative course or to obtain refunds if a suitable alternative course is not found. GENERAL INFORMATION - THE AUSTRALIAN QUALIFICATIONS FRAMEWORK AND LIFELONG LEARNING

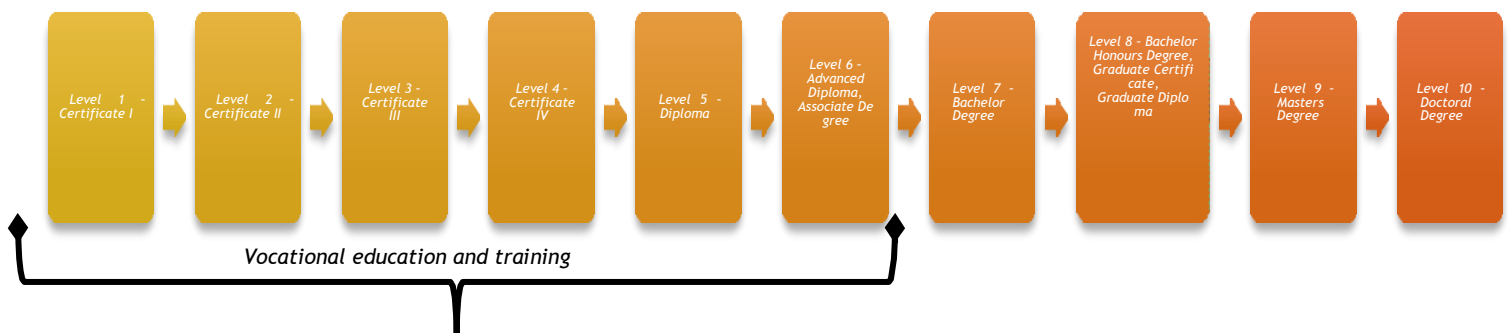

The purpose of Australian Qualifications Framework (AQF) is to provide a comprehensive, consistent framework for all qualifications offered on a national basis in post compulsory education and training. The framework aims to encourage lifelong learning.

The Australian Qualifications Framework (AQF) attempts to do so by providing individuals with better scope to progress through the levels of education and training by improving access to qualifications, by more clearly defining avenues for achievement and by promoting national and international recognition of qualifications offered in Australia.

AQF COMMITMENT

The AQF makes a specific commitment to flexible, transparent and systematic learning pathways and to the removal of boundaries between educational sectors. This diagram shows the interlinking and pathways that relate to the various qualification levels.

Lifelong learning implies a dynamic view of education and training, building strong linkages between learning at different stages of life and in a wide range of settings and partnerships rather than just looking at various forms of education and training provision in isolation from each other. The departures from existing views of education and learning are substantial. They involve recognition of a wide range of learning modes, strengthening the motivation to learn (wide range of learning opportunities, opportunity to combine classroom learning with learning in work settings etc.), and providing a wide variety of pathways not constrained by rigid notions of formal education and training.

Many of the goals of the AQF support such an alternative view of education and learning needed to promote lifelong learning. These goals include:

- bringing together the qualifications issued by the schools, VET and higher education sectors into a single comprehensive system of titles and standards
- supporting flexible education and training pathways between sectors and lifelong learning
- encouraging parity of esteem between academic and vocational qualifications
- offering flexibility to suit the diversity of purposes of education and training and provide for the differences in the constitution of the sectors
- encouraging cross-sectoral partnerships
- Underpinning national policies, in particular on quality assurance and articulation and credit transfer.

Graduating from MIT or another Australian Qualification Framework (AQF) provider can qualify you for entry to University, therefore many Students who did not successfully complete the year 12 use it as a stepping stone to a University qualification.
