5 Policy

5.1. Deferral and suspension of studies

- Requests from students for deferral and suspension of studies will only be granted in compassionate or compelling circumstances which are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing. These could include, but are not limited to:
 - serious illness or injury, where a medical certificate states that the student was unable to attend classes
 - bereavement of close family members such as parents or grandparents (Where possible a death certificate should be provided)
 - major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies
 - a traumatic experience that has impacted on the student which could include involvement in, or witnessing of a serious accident or witnessing or being the victim of a serious crime. Such cases supported by police or psychologists' reports
 - where the Institute is unable to offer a pre-requisite unit
 - inability to begin studying on the course commencement date due to delay in receiving a student visa (for international students)

These circumstances are an example of what may be considered compassionate or compelling circumstances, however each case will be assessed on its individual merits.

- When determining whether compassionate or compelling circumstances exist, the Institute considers documentary evidence provided to support the claim. Verification and authentication processes must be followed to clarify that the circumstances are genuine.
- A retrospective deferment or suspension may be justified if the student was unable to contact the Institute because of a circumstance such as being involved in a car accident. Verification and authentication processes must be followed to clarify that the circumstances are genuine.
- Where a student initiated deferral or suspension of enrolment is granted, the Institute will suspend an enrolment for an agreed period of time - to a maximum of 6 months. If the deferral is required for longer than 6 months, the student's application will be re-assessed on its individual merits. Verification and authentication processes must be followed to clarify that the circumstances are genuine.

- If the suspension period has expired and the student does not return, the student's enrolment will be cancelled.

5.2. Provider initiated suspension or cancellation

- The Institute may suspend or cancel a student's enrolment including, but not limited to, on the basis of:
 - misbehaviour by the student (including plagiarism, collusion and cheating) as outlined in *MITP23 Plagiarism, Collusion and Cheating Policy and Procedure*.
 - the student's failure to pay an amount he or she was required to pay the registered provider to undertake or continue the course as stated in the Letter of Offer and Student Agreement (LOO)
 - a breach of course progress or attendance requirements by the student, which will occur in accordance with Standard 8 (Overseas student visa requirements) and as specified in the Institute's *MITP01 Vocational Attendance Recording, Monitoring and Reporting Policy and Procedure* and *MITP02 Vocational Course Progress Recording, Monitoring and Reporting Policy and Procedure*.
- Standards of behaviour required are outlined in the International Student Handbook and breach of Student of Code of Conduct as outlined in *MITP04 Student Code of Conduct*.
- Where the Institute suspends or cancels a student's enrolment, before imposing a suspension or cancellation the Institute will inform the student in writing of that intention and the reasons for doing so and advise the overseas student of their right to appeal through the provider's internal complaints and appeals process, in accordance with Standard 10 (Complaints and appeals), within 20 working days and as outlined in *MITP07 Complaints and Appeals Policy and Procedure*.
- Under no circumstances will the suspension or cancellation of the overseas student's enrolment under Standard 9.3 cannot take effect until the internal appeals process is completed, unless the student's health or wellbeing, or the wellbeing of others, is likely to be at risk.

5.3. Student initiated cancellation of studies

- Students may initiate cancellation of their studies at any time during their course.
- *For International Students:* Students who wish to withdraw within six months of their course to transfer to another provider will be processed as per *MITP09 Course Transfer Policy and Procedure*.
- If there are outstanding fees of the student at the time of student request for cancellation, then the cancellation request would be rejected and student's enrolment will continue as is.

5.4. For International Students - Visa status

- When there is any deferral, suspension or cancellation action taken under this standard, the Institute will inform the student of the need to seek advice from DHA on the potential impact on their student visa (if applicable), as well as the report the change to the overseas student's enrolment under section 19 of the ESOS Act i.e. notification via PRISMS.
- Students are referred to the DHA web site at <https://www.homeaffairs.gov.au/> or Helpline (131 881) for information and their local DHA office for advice on how the potential change to enrolment status may impact upon his or her visa.

5.5. Complaints and appeals

- Where a student accesses the Complaints and Appeals outlined in *MITP07 Complaints and Appeals Policy and Procedure*, the Institute will not notify DHA via PRISMS (for international students) or cancel the enrolment (for domestic students) until the internal appeals process is complete unless the student's health or wellbeing, or the wellbeing of others, is likely to be at risk. Where the student chooses to access an external appeals process, DHA will still be notified via PRISMS (for international students) or cancel the enrolment (for domestic students).

5.6. Records

- All records relating to deferrals, suspensions and cancellations will be kept in accordance to *MITP31 Student Records Management Policy and Procedure*. This will include all decisions made.

5.7. Publication

- This policy is provided to students in the *Student Handbook*, which is provided to students prior to or upon commencement of a course, and also via the Institute's website at <https://www.menzies.vic.edu.au/current-students/policies>
